We get teacher quality money based on enrollment, teachers, & per diem pay.

Albert City-Truesdale is receiving \$58,058 this year in allocations.

First, the money needs to be distributed to teachers that are not meeting the minimum salary (4<sup>th</sup> year teachers and below). There are 4 teachers with 4 years of experience or less. There are 2 teachers that need minimum salaries increased.

When the salary increases, FICA, & IPERS come out of the total allocations, there will be \$50,863 left to be distributed between 13.2 teachers.

We need to decide how the money will be distributed among the teachers.

Albert City-Truesdale will also be receiving \$5,506.34 in professional development allocations. This committee will also be in charge of deciding how to use this money.

Meeting adjourned at 4:45 p.m.
