

VACANCIES

A vacancy occurs as provided by law, which includes but is not limited to when a board member dies, resigns or leaves office, or fails to reside in the school district or director district.

If a vacancy occurs prior to the expiration of a term of office, the vacancy will be filled by board appointment within 30 days of the vacancy. The board shall publish a notice stating that the board intends to fill the vacancy by appointment, but the electors of the school district have the right to file a petition within 14 days of the publication of the notice requiring the vacancy be filled by a special election.

A person appointed to fill the vacancy shall hold office until a successor is elected and qualified at the next regular election, unless there is an intervening special election for the school district, in which event a successor shall be elected at the intervening special election.

If the board is unable to fill a vacancy by appointment within 30 days after the vacancy occurs or if a valid petition is submitted, the board secretary will call a special election to be held no sooner than 60 days and not later than 70 days after the vacancy occurred. A board member elected at the special election will serve the remaining portion of the unexpired term.
