

On May 2nd the 5th and 6th grade students went to Living History Farms for the day. We had a great trip and learned a lot about how farming has changed in Iowa. Here are the 5th graders highlights from the day.

Joel Benitez-Tello - I liked seeing the geese that we would see around.

Ryan Cormany - I liked the bus trip there and back.

Cody Holt - I liked the 1850's farm because the views would be glorious with all that space!

Caitlyn Jacobs - I liked being able to shop at the gift shop.

Taylor Lindner - The broom shop was neat because of how they made the rooms.

Lindsay Peck - The bank was so neat because we got to see the safe and the grill from the Albert City Bank.

Victor Rivera - The thing I liked the most was the tractor ride out to the different farms.

Caden Rydstrom - The loway Indian Farm was my favorite because they had to build their homes from nothing, they had to be resourceful.

Ariel Simpson - The General Store was my favorite because the baby bottle was so neat!

Isaac Torres - I loved eating at Pizza Ranch!

Aiden Sorensen - I liked the school, it looks so cool with the desks and how many different ages would in there.
