

# Albert City-Truesdale Elementary **HURRICANES**

*A Stronger Home for Our Hurricanes — Coming Summer 2026*

*Conceptual renderings shown. Final design may vary.*

## **A Stronger Home for Our Hurricanes**

*Renovations coming Summer 2026 — with no tax increase.*

Albert City-Truesdale Community School District is investing in facility upgrades that improve student safety and modernize our building — without raising property taxes.

Thanks to years of fiscal responsibility and successful grant funding, property taxes are actually being reduced by \$0.48 per \$1,000 valuation.

### **What's being improved:**

- Secure "walk-through-the-office" student entry
- Modernized main entrance, lobby, and restrooms
- East Entrance drainage and aesthetic upgrades
- South Awning replacement

**Timeline:** Work begins after school dismisses in May; completion expected before August.

### **Questions?**

Please Contact Superintendent Dick Jungers
